

# **Alaska Chapter - American Fisheries Society Molly Ahlgren Undergraduate Scholarship 2023 Application Procedure**

The Molly Ahlgren Scholarship was established by the family of Dr. Molly Ahlgren and the Alaska Chapter of the American Fisheries Society in 2004 to honor her life and dedication as an Associate Professor of environmental science at Sheldon Jackson College

< <http://www.afs-alaska.org/wp-content/uploads/sites/48/2012/04/onco251.pdf> >.

There is \$6,000 available from the Molly Ahlgren Scholarship Fund to be awarded either as one, two, or three Scholarships which will be determined by the qualifications of the applicants. The maximum Scholarship amount would be \$6,000 with the minimum amount being \$2,000. The Scholarship will be provided for the 2023 Spring semester to undergraduate students in their sophomore, junior, or senior year of studies pursuing a baccalaureate degree involving the disciplines of fisheries, aquatic, or biological science. The Scholarship selection will be made in the fall of 2022 and funds will be made available for the Spring 2023 semester.

Applicants will be evaluated on their work and/or educational experiences and interest in the disciplines involving fisheries, aquatic or biological science, interest in professional advancement, and reason(s) for financial need. The Scholarship recipient(s) will be introduced at the Alaska Chapter Annual Meeting to be held in Fairbanks from 27–31 March 2023 (contingent on SARS-CoV-2 health and safety thresholds). All travel and meeting registration expenses will be paid for by the Alaska Chapter.

The Scholarship recipient(s) will be required to write a brief statement about their experience at the Alaska Chapter meeting that will be published in the Alaska Chapter's newsletter, *Oncorhynchus*, and become a member of the American Fisheries Society.
